We have a lovely judge

**Gerry McCallum**

**Here's a little bit about him**

Firstly, Thank You to the committee for the invite to judge at your show.

My history with pedigree dogs starts in 1992 with the purchase of our first Rottweiler. Boxers soon followed, but bad luck struck, and it was then that I discovered Boston Terriers. I have owned this breed for 23 years, I am passed to award CC's in them and I have judged them at home and in the breeds country of origin. Chows have always appealed to me very keenly, and after many years of thought I was fortunate enough to add two beautiful bitches to our family, one of which is now a Champion, and both of whom rule the roost.

.I am greatly looking forward to spending the day with the Chows and the Chow people. Gerry McCallum

13. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time and then only with special permission from the show management.

14. Exhibitors must not pick up dogs by their tails and leads when lifting them. This is not acceptable. Exhibitors should note that such a practise would constitute harsh handling and reports of such practise will be referred to the committee under Kennel Club Show Regulations.

15. All exhibitors must be familiar with Kennel club regulations F (Annex B) – Regulations for the preparation of Dogs for Exhibition.

16. All dog's resident outside of the UK must be issued with a kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without Authority to Compete number will be returned to the exhibitor/competitor.

17 DOGS IN VEHICLES ON HOT DAYS. Your is vulnerable and at risk during hot weather and the Kennel Club offers the following guidelines to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams.

If your vehicle is not air conditioned seriously consider whether travelling to show is a good idea at all.

The vehicle should be well ventilated as possible and plenty of stops should be taken with lots of water available to drink

Ensure your dog is not sitting in full sunlight. There should be plenty of free-flowing air around your dog.

When at the show NEVER leave your dog in the vehicle

Keep your dog in the shade -take your own shade for example a large umbrella and always have plenty of water available to drink so you or dog will be hydrated.

Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time.

Remember if you feel hot your dog is very likely to feel too much hotter and dehydrated and this could lead to dire results. Please look after your dog's welfare. **WARNING IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED**>Anyone whose dog is entered at a Kennel Cub licensed event should take all reasonable steps to ensure the needs of their dogs are met and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club rules and Regulations. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulations to refuse entry.

18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.

19. No modifications will be made to the schedule except by permission of the general Committee of The Kennel Club, which will be followed by advertisement in the canine press wherever possible.

20. **DOGS FOULING**>Any owner, exhibitor, handler, or other person I charge of a dog is requested to remove as soon as possible any fouling caused by their dogs at any Kennel Club licensed venue or within the environs of that event including car & caravan park & approaches. Adequate receptacles for the disposal of such fouling will be provided

21. **PASSES** >Exhibitors passes will NOT be sent .For acknowledgement of entries please enclose S.A.E

22. The Committee of The Chinese Chow Club are not responsible for products sold by stall holders/trade stands at their shows. Persons attending Club Shows are reminded that products sold by the trade stands for the preparation and grooming of dogs may not meet the requirements for the preparation of Dogs for Exhibition (KC Reg F8).
