DEFINITIONS OF CLASSES

(Wide Kennel Club Regulations for Definitions of Classes)

The word "dog" includes both sexes.

In the case of a dog owned in partnership and entered in Members' Classes or competing for Members' Specials, each member of such partnership must, at the time of entry, be member of the Club.

In estimating the number of prizes won, all wins previous to the midnight preceding the day specified in the Schedule or closing of entries shall be counted when entering for any class.

Wins in Variety Classes do not count for entry in Breed Classes but when entering for Variety Classes wins in both Breed or Variety classes must be counted. A Variety Class is one in which more than one Breed or variety of a Breed can compete. A First Prize does not include a Special Prize of whatever value.

NOTE: In the following definitions, a Challenge Certificate includes any award that counts towards the title of Champion under the rules of any governing body recognised by the Kennel Club.
