### Introducing our Judge

*I started showing Yorkshire Terriers in the 1970's and have bred, owned and shown Ch. Yorkies, Griffons and Standard Schnauzers. I have also bred and occasionally shown Norwich Terriers, Lakelands and Airedales. And am presently owned by two Curly Coat Retrievers!*

*Having developed an interest in conformation and movement I gave my first seminar presentation on the subject for The Eastern Counties Yorkshire Terrier Club in the 1980's. There followed many invitations to talk on the subject and learn about a wide variety of breeds at Club seminars, including Chow Chow Club, from across the various groups. I was asked to become an Accredited KC trainer on the subject at the schemes inception and continue in that capacity today.*

*I first awarded CCs in 1989 (Yorkies) and at present I am passed to award CCs in all Toy breeds as well as the Toy Group (since 1998). I am also passed to award CCs in Schnauzers, Min. Sch., and Shar Pei. in the Utility group. I very much enjoy learning about various breeds of dog and have attended breed specific seminars and passed assessments for most breeds within the Utility Group. I first judged breed classes for Chow Chow in 1992 and have had the pleasure to judge them occasionally since, as well as study them at seminars and at general and breed club shows. I am greatly looking forward to the opportunity given to me by The Chinese Chow Club to further my knowledge of your delightful breed.*

*Stephen Bardwell*

17 DOGS IN VEHICLES ON HOT DAYS. Your is vulnerable and at risk during hot weather and the Kennel Club offers the following guidelines to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams.

If your vehicle is not air conditioned seriously consider whether travelling to show is a good idea at all.

The vehicle should be well ventilated as possible and plenty of stops should be taken with lots of water available to drink

Ensure your dog is not sitting in full sunlight. There should be plenty of free-flowing air around your dog.

When at the show NEVER leave your dog in the vehicle

Keep your dog in the shade -take your own shade for example a large umbrella and always have plenty of water available to drink so you or dog will be hydrated.

Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time.

Remember if you feel hot your dog is very likely to feel too much hotter and dehydrated and this could lead to dire results. Please look after your dog's welfare. **WARNING IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED**>Anyone whose dog is entered at a Kennel Cub licensed event should take all reasonable steps to ensure the needs of their dogs are met and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club rules and Regulations. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulations to refuse entry.

18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.

20. **DOGS FOULING**>Any owner, exhibitor, handler, or other person I charge of a dog is requested to remove as soon as possible any fouling caused by their dogs at any Kennel Club licensed venue or within the environs of that event including car & caravan park & approaches. Adequate receptacles for the disposal of such fouling will be provided
