INTRODUCING OUR JUDGE- MR Glenn Davis (Waterley)

I have lived with pedigree dogs most of my life and have been an owner/exhibitor of Tibetan Terriers for 35+ years. My first Tibetan came in 1983 and after following the shows sought a show potential puppy. After many setbacks and failed matings to some of the top Bitches of the day I had to admit defeat and buy from the "Top Winning Kennel" of that period.

This dog was my first Champion at 2 years of age, following on from that, my partner Mark James and I formed Waterley Tibetan Terriers in 1991 and to date we have made up many Champions having a very successful time both here and abroad.

I started judging in 1990 and since then have consistently judged other breeds in the Utility Group. I first awarded CC's in 2003 and currently award CC's in 8 Utility Breeds including the Utility Group and have several appointments up to 2027

I have also had the pleasure to judge in many European Countries and Scandinavia and further afield in America and Australia.

Up until recently I was a serving Committee member for the Tibetan Terrier Breeder and Owners Club for many years. Currently I am Honorary Secretary of British Utility Breeds Association and also the BEC (Breed Education Coordinator) keeps me on my toes ! and on the KC Breed Liaison Council as Utility representative

I always enjoy my judging appointments and focus on Utility breeds especially the oriental breeds, first judging Chows in 1991, I thank the committee for the opportunity judge your wonderful breed.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK
FORCIBLE ENTRY TO YOUR VEHICLE MAY BE

CAUSED.**

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used. The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at shows

In light of recent events The Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

COME AND HAVE SOME FUN

We know our members and supporters like to have fun, we know our members and supporters like to join in, we saw this at the Christmas Show.
